Please do not follow 'Sat Nav' as it will take you to a neighbouring farm

If coming from North of Winchester on M3 -

Leave M3 at Junction 9 and take the first exit from roundabout towards Petersfield A272 and Alresford A31.

At next roundabout take the first exit again towards Petersfield and Alresford. This is the A31.

At the next roundabout take the second exit towards Easton. Do take care here when exiting the roundabout as you do not have right of way, please stop for traffic coming out of Winchester.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.

If coming from South of Winchester on M3 -

Leave M3 at Junction 10 and take the 3rd exit from roundabout on the A31 towards Petersfield and Alresford.

At the next roundabout take the 2nd exit continuing on the A31

At next roundabout take the 2nd exit again towards Petersfield and Alresford still on the A31

At the next roundabout take the second exit towards Easton. Do take care here as you do not have right of way, please stop for traffic coming out of Winchester.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.

If coming from North of Winchester on A34

At the end of the A34 at Winnall roundabout (M3 junction 9), Winchester, stay in the left hand lane and take the second exit from roundabout towards Petersfield A272 and Alresford A31.

At next roundabout take the first exit again towards Petersfield and Alresford. This is the A31.

At the next roundabout take the second exit towards Easton. Do take care here when exiting the roundabout as you do not have right of way. Please stop for traffic coming out of Winchester.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.

DIRECTIONS

If coming from Winchester Town Centre

From King Alresford's statue, take the Alresford Road out of Winchester which goes up Magdalene Hill.

Continue on, pass St Swithun's School on your left and then Intech on your right.

At the roundabout take the first left towards Easton.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.

If coming from Alresford/Alton

Come along the A31 towards Winchester and when you reach the roundabout with the Percy Hobbs public house you must take the 3rd exit towards Easton. At this roundabout, the first exit will take you towards the M3 and A272, the second exit will take you to Winchester town centre. Take the 3rd exit to Easton.

Do take care here when exiting the roundabout as you do not have right of way. Please stop for traffic coming out of Winchester.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.

If coming from Petersfield direction

At the end of the A272 turn right. You will be on a dual carriageway. At the next roundabout take the second exit towards Easton.

Do take care here when exiting the roundabout as you do not have right of way. Please stop for traffic coming out of Winchester.

This is a single track road but we are the first property on the left which is only 100 yards along this road.

You will see our poly tunnels and our large green buildings.

Come into the drive and the car park is on the left.
